WHALE CHART

M. F. MAURY A. M. LIEUT. U. S. NAVY.

(Pre-liminary sketch) SERIES V. Map 1052

Drawn by LTJ LEIGH BEEBROOK & FLEMING & P. BIRD JACKSON

Published at the National Observatory by Authority of
COMD L. WARRINGTON
Chief of Bureau of Ordnance & Hydrography
1851.

Explanation
 Sperm Whales (Blue) The best fishing ground in all the world is the North Atlantic by the letter W
 Right Whales (Green) The best fishing ground in all the world is the North Atlantic by the letter R
 Striped Sperm (Pink) The best fishing ground in all the world is the North Atlantic by the letter S
 Right (Purple) The best fishing ground in all the world is the North Atlantic by the letter P
 W Winter V Spring S Summer A All months

It is supposed that the Right Whales resort to these grounds in considerable numbers and that good fishing may be had in these latitudes during winter (w) i.e. the Southern Summer.

Antarctic Continent as used by Maury
